

Thinking of taking your conference virtual?

We have everything you need to run your conference online

Making the transition to an online conference can be daunting and confusing. To make things easier we've put together a ready-made virtual conference package which gives you everything you need to produce a successful event online as well as the expertise to run it.

What's included?

- An experienced Project Manager to oversee your event
- Live streamed presentations to view in real time
- Studio set up and production
- Web & mobile platform
- Conduct live Q&A and polling
- Platform for participants to hold one to one meetings online
- An experienced sponsorship manager to create bespoke opportunities for new and existing partners
- Mobile access to all event activity and content
- Online registration system to manage your delegates and payments
- Tracking of attendees for CPD certification
- Design and content
- Speaker liaison and support
- Marketing and promotion
- Advanced meeting booking and networking
- Programme planning
- Post event reporting

Webinars

Our experienced team can also help your organisation to develop a webinar programme to complement your existing event portfolio:

- Engage and educate your online audience
- Create content for your future marketing strategy and online presence
- Generate leads to grow your community
- Build cumulative brand value
